HOW YOU HELP

EDUCATION & YOUTH DEVELOPMENT

$156 provides critical after-school programming and tutoring for a child struggling in school.

$365 pays for a child to attend early childhood education programs that are vital to academic success.

$1,200 enrolls a child in a summer camp where academic skills are reinforced and children develop skills to become healthy and confident.

ECONOMIC INDEPENDENCE

$156 ensures two families receive mortgage counseling that prevents them from losing their homes in a foreclosure and becoming homeless.

$365 provides a day of food for 28 families staying at a homeless shelter.

$1,200 covers training for an unemployed adult to become a Certified Nursing Assistant and start a career that lifts a family out of poverty.

HEALTH & WELLNESS

$156 provides a night of safe shelter, personal accommodations, and three hot meals for a neglected, runaway, or homeless child.

$365 supplies nearly 7,900 prescription medications to low-income, under- or uninsured individuals.

$1,200 delivers groceries to 255 low-income seniors at month-end, ensuring they do not have to choose between food and other necessities.
